

Keystone-EL Collection

Feature arched, distinctive appeal on your golf course, and enjoy maintenance-free ease with our Keystone EL Collection of furnishings.

We've captured all of the beauty of our original Keystone Collection in this new version made entirely with maintenance-free Everlasting Lumber™(98% pure recycled plastic).

Chose attractive post/trim and panel color combinations, or a select a single color for a truly distinctive monochromatic Keystone design

"When choosing a company to provide quality equipment for our course, we selected Prestwick Golf because of their reputation and experience working with highly-respected courses. Also, Prestwick Golf was able to provide pieces from the Keystone Collection that are made entirely from Everlasting Lumber™, a responsible and sustainable resource. Without sacrificing style or aesthetic value, Callaway Gardens is able to provide attractive, environmentally-friendly furnishings for our guests that align perfectly with our own interest and mission of environmental education and land stewardship."
