

Bowes Creek

“Prestwick Golf Group was our choice when furnishing our newly opened 18-hole course. We gravitated towards their Birkdale collection, which helped us capture the Old English countryside theme we were aiming for, reflecting the time-honored tradition of the game of golf. Between their hands-on approach, on-site visits, and streamlined ordering process, we were left with a positive impression of their business. The furnishings leave a positive impression on golfers, which reflects well on our business.”
